Education

Indira Gandhi Delhi Technical University for Women, New Delhi Bachelor of Technology in Computer Science and Engineering, GPA: 8.05	August 2023 – Present
Delhi Public School, R.K. Puram PCM with computer science, class 12th: 90.8%, class 10th:93.6%	April 2021 – May 2023

Skills

Languages: C++, C, Python, SQL, HTML, CSS
Libraries: Numpy, Pandas, Matplotlib, Seaborn, Scikit-learn
Coursework: Data Structures Algorithms, Design and Analysis of Algorithms, Operating Systems, Software Engineering, DBMS, OOP
Soft Skills: Teamwork, Leadership, Time Management, Critical Thinking, Communication

Experience

Centre of Railway Information System:Machine Learning Intern 🔗 Developed a dynamic pricing model for the Indian Railways using demand-based and fare-driven data to improve public access and boost revenue using machines learning models.	New Delhi, June 2025–July 2025
Anveshan Foundation: Python and Machine Learning Intern 🔗 Developed a machine learning model to analyze and classify the impact of music on user mental well-being, achieving 74.6% accuracy by using supervised ML models to derive genre insights for improved well-being.	New Delhi, June 2024–July 2024

Projects

Dynamic Pricing model for Passengers Segment of Indian Railways Built a machine learning-based dynamic pricing model based on machine learning using regression and tree-based models to predict train prices based on various trends to increase revenue for Indian Railways. Tools Used: Python, Pandas, NumPy, Matplotlib, Seaborn, Sci-kit learn	June-July 2025
Mindcare 🔗 A platform built using the MERN stack in a collaborative effort with my front-end proficiency that simplifies access to mental health support by having support journeys and accessibility features that help the user's well-being. Tools Used: Node.js, Express.js, MongoDB, HTML, CSS, JavaScript, Render	Jan 2025
Music & Mental Health Predictive Analysis 🔗 Developed a supervised ML project to analyze influence of music on mental health, classifying its effects with 74.6% accuracy and providing data-driven genre insights. Tools Tools Used: Python, Pandas, NumPy, Matplotlib, Seaborn, Sci-kit learn	July 2024

Position of Responsibility

Synergy- Sports Society of IGDTUW: General Secretary Led the society with 150+ members, overseeing teams and events, building partnerships and driving strategic growth of sports culture.	August 2025 - Present
IGDTUW Basketball Team Silver and Bronze Medal in IIT Jodhpur, IIT-D Basketball Tournament and further tournaments.	August 2023 - Present

Achievements and Extracurricular

Semi-Finalist – Flipkart GRiD 7.0 Selected out of more than 160k+ participants through rigorous online coding challenges.	July 2025
INNOVATE X HACKATHON, Shyam Lal College, Delhi Selected from over 500 participants for developing a high-impact project.	Nov 2024
Basketball Medals (15+) across various National, state, university tournaments with participation in an international camp hosted by Olympians and highly acclaimed coaches.	2018-2025
