PROJECTS

Distant Diary	<i>Jan 2025</i>
Educational Resource Platform.	

Tech Stacks: HTML, CSS, JS

- Designed and deployed a full-stack learning portal used by over 1,000 school students (Grades 9–11) across Kendriya Vidyalaya and other institutions.
- Enabled centralized access to curated study materials, improving academic resource availability by 70% through real-time content updates and responsive design.

Mind Care	<i>Jan 2025</i>
Mental Wellness Support Platform	

Tech Stacks: Node.js, Express.js, MongoDB, JS, HTML, CSS

- **Developed the blog section** of a full-stack mental health platform, enabling users to access curated content on self-care, therapy, and emotional wellness.
- The platform also featured **real-time appointment booking**, activity tracking ("Garden of Growth"), and post-session follow-ups across 20+ NGO-supported locations.

ACHIEVEMENTS

Innovate X Hackathon Finalist — Shyam Lal College, Delhi University	<i>Nov 2024</i>
--	-----------------

- Selected among the top 10 teams out of 500+ participants for building a solution under a 24-hour development sprint.

EXTRACURRICULAR

Editorial Secretary — Rotaract Club, IGDTUW	<i>Dec 2024 – Present</i>
--	---------------------------

- Supervised a team of 10 members to produce monthly newsletters, event invites, and content, contributing to consistent communication across club activities

Editorial Secretary — M.L. Khanna D.A.V. Public School	<i>Mar 2021 – Mar 2023</i>
---	----------------------------

- Planned and reviewed editorial content for school publications, ensuring on-time delivery and maintaining publication quality over two academic terms.
